

MARIA CARRILLO TRACK & FIELD 2025 ATHLETE DONATION FORM

Dear Parents and Guardians, STUDENT NAME: _____

Participating in a Maria Carrillo Athletic Program is a very valuable experience that contributes to a student's overall educational and character development. There are many costs attributed to athletics that cannot be totally sustained through school funds or through our Puma Athletics Boosters (PAB) organization. Some of these costs include the purchasing of team uniforms, team warm-up shirts, equipment, meet entry fees, awards, misc. supplies, housing and transportation to invites, etc... **Total MCHS Track & Field team expenses are \$22K+ each season!**

➤ **We are asking for a minimum \$150 donation per athlete to supplement team expenses**

Be assured, this donation is not a condition of participation in this athletic program! ...Please return this form with or without a donation check attached to one of our coaches at practice.

ATHLETES WILL NOT BE ISSUED A RACE JERSEY/ALLOWED TO COMPETE UNTIL THIS FORM IS TURNED IN!

Please check the appropriate donation box and/or attach check.

MARIA CARRILLO TRACK & FIELD 2025 RULES AND EXPECTATIONS

Team Website: www.mariacarrillorun.com

Head Coaches: Greg Fogg greg.fogg@comcast.net (707) 291-2967, Vic Hudson coachvic68@yahoo.com (650) 984-0129

Thank you for your interest in joining the sport of Track and Field. Track and Field is a unique sport which provides limitless opportunity to find success. They say in Track and Field that there is something for everybody because of the many different athletic events all combined into one sport. The goal of our coaching staff is to provide each athlete with a positive experience and to inspire/motivate each of them to work hard and improve.

COMMUNICATION: Everyone is expected to sign-up for Remind Text announcements, easy 3 steps to register and takes 10 seconds starting with 1) Send a text message to phone # **81010**, 2) Enter message: **@mchstfrun** 3) Hit send

CUTS: The sport of track and field has been traditionally viewed as a no-cut sport. However, the coaches can and do make cuts based on attendance, attitude and effort. The Coaches will use time trials/minimum performance marks to best fit each athlete into the event(s) that you will have the greatest chance for team and personal success. In addition, there will be minimum marks that each athlete will have to meet to participate in certain competitions. -The best way not to be cut, regardless of ability, is to be 100% committed to the team!

EXPECTATIONS: Show-up, Work Hard, (Listen to Coaches) and be a GREAT Teammate! > Everyone will Improve!

- OUR ROSTER WILL BE OPEN FOR THE FIRST 2 WEEKS OF PRACTICE, INDIVIDUAL EXCEPTIONS CAN BE ARRANGED (BY COACHES) FOR WINTER SPORT ATHLETES FINISHING UP SEASON/NCS PLAYOFFS
- Be on time, always follow the team rules and expectations, wear appropriate training clothes and shoes.
- Respect and support your teammates and coaches, opposing team members, coaches, officials, always. Unsportsmanlike conduct will not be tolerated. This would include profanity, showing up another runner, not representing your school/team, being disrespectful or an action that is detrimental to the team.
- Be 100% committed to the team. Realize the default commitment is the team always comes before the individual.
- Be safe always; behavior deemed unsafe in any way can result in immediate removal from team w/o prior warning.

MANDATORY PRACTICE: Mon-Tue-Thu-Fri 4-6:00 pm + Wed 3:15-5:30

- Practice is never cancelled (Yes, we have practice even in the rain!); be prepared for cold and wet weather!
- Leaving/disappearing during practice without prior permission is considered an absence; Not fully participating in team workouts is considered an absence.
- Every practice begins with a brief team meeting/roll call, then a team warm up lap, then break into specialty events; each athlete will check the workout board and report to their designated coach for the day's workout.

ATTENDANCE: Rollcall is taken at the beginning of practice; excused absences are allowed only if cleared in advance by your Coach Vic (Sprints), Coach Greg (Distance) or Coach Nick (Throws):

- You are expected to be at every practice and meet; each athlete is allowed a MAX of 5 unplanned absences during the season, this includes practices and competitions. Please don't view this as you get 5 days off for free time! -On your 6th absence you are no longer on the track team!
- You will be expected to make up any missed workouts prior to participating in competitions.
- If you are injured, contact the coaches; ask if you can help out at practice, if possible, to avoid an absence.
- **Rollcall:** Athletes are responsible for self-checking in each day to practice and cannot check other athletes in!

MEETS:

- Each athlete is expected to participate in at least 2 and up to 4 events (max) in all meets.
- You are a representative of Maria Carrillo HS; unsportsmanlike conduct can result in disqualification or ejection.
- Everyone wears MCHS team jersey (athletes provide black shorts) + team warm-up shirt for every competition.
- We will attend invitational meets on weekends and during school vacations; not all runners participate in invites.
- To ensure home meets run smoothly, some athletes will be assigned a "duty" to help. Specific duties (i.e. Hurdle Crew) will be assigned prior to each meet. League track meets can take 3-4+ hours to complete. Invitationals may last much longer; we encourage all athletes/parents to stay as long as possible to help support OUR TEAM!

CONSEQUENCES AND DISCIPLINE: Not following any of the team policies/rules above will result in the following:

-Warnings for minor issue > Missed meets for major issues > 3rd infraction will result in removal from the track team.

INJURIES: Injuries are unfortunately a part of sports. All athletes should know the difference between being "sore" and being injured. If an athlete thinks they are injured, then you need to tell your coach immediately. The coaching staff will always give their opinion, but if an injury is suspected, we will defer injury assessment and treatment to our Athletic Trainer along with recommendations of whether the athlete should continue with practice/meets. If an athlete is injured and misses practice time as a result, they will be held out of competition until the Athletic Trainer and Track Coaching staff feels 100% comfortable that the athlete is ready to compete.
